4th Joint Advanced Educational Course on Thrombosis

12 November 2010
Habtoor City
Beirut - Lebanon

Dear Colleagues

The Lebanese Joint Collaboration Against Thrombosis (LJCAT) is proud to present the 4th Joint Advanced Educational Course on Thrombosis of the International Society on Thrombosis & Haemostasis (ISTH) and the Mediterranean League against Thromboembolic Diseases (MLTD). The congress will provide a concise state-of-the-art overview of prophylaxis measures & critical developments in the diagnosis, treatment and prevention of thrombotic disorders. The target audience is multidisciplinary, we mainly aim to attract doctors and scientists from the following medical and surgical specialties:

Hematologists, Pulmonologists and Intensivists, Vascular Surgeons, Gynecologists, Rheumatologists, Internal Medicine specialists.

The faculty for the congress is drawn from the highest-regarded international and regional experts. We invite you, our guests, to visit Lebanon & discover its richness: drink in the energetic, urbane vibe of revitalized Beirut; explore a diverse and beautiful landscape that lends itself easily to an unforgettable multi-sport adventure; marvel at archaeological wonders that are windows into the cradle of civilization; and simply enjoy the welcome of a people who are naturally hospitable, friendly, and gregarious.

We wish to extend our warmest welcome to all participants and trust that this and future LJCAT meetings, will be a scientifically valuable and enjoyable experience.
